Respondent

## **DECISION**

As it appears that no specific request or submission has been raised in relation to the matter of costs, in those circumstances it would not appear to be open to the Tribunal to make a determination in favour of either party in relation to same.

The DRA expenses are those of the party invoking the involvement of the DRA particularly in circumstances where the Claimant ultimately decided not to proceed, for whatever reason.

Dated the 30<sup>th</sup> day of May 2006
